EXPERIENCE

Freelance Videographer & Photographer – Rockford, IL
Operating as Westin Vision since May 2026 June 2022 – Present

- Produce video and photo work for nonprofits, school districts, municipalities, and community organizations.
- Shoot weddings, focused on capturing the natural movement and interaction between couples.
- Handle full projects from quote and planning through shooting, editing, color, and audio delivery.

Evolution Digital Marketing Agency – Rockford, IL
Freelance Videographer June 2022 – May 2024

- Created marketing videos for small businesses, nonprofits, and political campaigns.
- Translated client specifications and campaign goals into finished video content.
- Contributed to local and statewide campaigns as part of the agency's production team.

Guilford High School – Rockford, IL
Freelance Videographer January 2023 – June 2023

- Filmed and edited promotional videos for a credit union partner, covering its services, products, and community involvement.
- Developed, filmed, and edited videos for the graphic design lab and Production Academy, working directly with students and faculty.

WISCANSIN FEST – Milwaukee, WI
Concert Photographer June 2023

- Photographed live concerts and festival performances in fast-changing stage lighting.

Auburn High School – Rockford, IL
Media Intern September 2022 – December 2022

- Taught students to operate cameras, video equipment, and editing software.
- Designed and taught a photography lesson; ran class and camera checkout in the teacher's absence.
